***Swimming Fast is Fun. Swim Right. Swim Fast. Swim for Life.***

August 2010

Dear Parents,

The Fall 2010 Short Course season is upon us! We look forward to some changes to the dynamics of our club beginning this season. Our goal is to increase overall participation within the club to better promote advancements in our swimmers' skills in competitive swimming. From this season forward, we will encourage and require that all Flipper, Spinner, and Silver level swimmers commit to competing at swim meets. Think about it this way...one doesn't have their kids participate in other sports only to attend practice and not play in the games. We hope to develop more of a "TEAM" mentality this way. Each swimmer must recognize that they are an integral part of this team. Showing up regularly to practices and swim meets is vital for their improvement and growth as both an individual and a team swimmer.

As of September 1<sup>st</sup>, we will be adding a \$5 monthly swim meet fee for each swimmer to be collected along with your monthly dues (*this does not apply to the Doggie Paddlers level*). This non-negotiable fee will take the place of our current system of paying into an escrow account for swim meets (\$1 per event entered).
